

# ARJUN CHAUHAN

## EXPERIENCE

Dynamic and ambitious entry-level professional seeking to leverage academic achievements to kickstart a successful career in field.

## EDUCATION

- BCA PURSUING FROM GARHWAL UNIVERSITY.
- PASSED OUT 12TH FROM CBSC BOARD IN 2021.
- PASSED OUT 10TH FROM CBSC BOARD IN 2019.

## PROJECT

### Sukh Dhaba

In developing a comprehensive restaurant website from scratch within a tight timeframe of 2 to 3 days, I showcased my leadership qualities through effective project management, proactive problem-solving, and the successful integration of HTML, CSS, and JavaScript to deliver a seamless user experience. From featuring our esteemed Chef to implementing a user-friendly table booking system, I demonstrated my ability to lead and execute tasks efficiently, ensuring that our restaurant's online presence reflects our brand identity and enhances customer engagement.

## LEADERSHIP

With a fresh perspective and a thirst for knowledge, I am poised to embark on a journey of leadership development, leveraging my unique strengths to drive positive outcomes and contribute to organizational success.
